

Announcement

TOGETHER ONCE is a unique and one-time online event. "Together once" will be a digital meeting of non-profit and non-competitive nature and shall connect us in these difficult times. The event is organized by **CUP OF DRESDEN**.

Are you a synchronized skating team, coach, official, organizer of a competition or otherwise active in our beloved sport? We are pleased to invite you to our digital gathering. Introduce yourselves, show your city's landmarks and explain how you deal with the current situation. Skate your current programs or provide another wonderful performance. Your practice sessions are severely restricted right now? Demonstrate that you are still active anyway. Be creative and show us and the world who you are. 😊

The event is expected to be broadcasted live **on March 20 or 21, 2021** from the Maritim Hotel Dresden/Germany.

If you have questions, thoughts or ideas - feel free to contact us!
